TASTES OF THE VALLEY: HARVEST TOUR

JUNE 30, 2022 · 6:00 PM – PRESTON RIDGE VINEYARD · PRESTON, CT

NOVEMBER 2, 2022 · 6:00 PM – BLACK POND BREWS · KILLINGLY, CT

Tastes of the Valley is The Last Green Valley’s signature farm-to-table program. For the past 16 years, it has showcased the amazing flavors created and crafted locally right here in our National Heritage Corridor.

Join us in welcoming back Tastes of the Valley: Farmer at the Table as our main event in Sturbridge, MA. Guests will enjoy a multi-course, farm-to-table dinner showcasing special dishes crafted with products grown and raised in The Last Green Valley. Seated at each table will be a farmer, vintner, brewer, distiller or agricultural expert for guests to learn more about what it takes to keep the Valley green and delicious.

In addition to our main event, we will host two casual events in Preston and Killingly, CT. Continuing our Harvest Tour format from the past two years, these fun evenings will give guests the opportunity to sample locally crafted sips while enjoying specially created tastes of fresh farm-to-table foods in a more relaxed format.

With a sponsorship, you will receive complimentary tickets to the main event in Sturbridge, plus you will benefit from marketing exposure to 250+ guests at all three events, and hundreds more through TLGV’s media channels. Above all, this sponsorship will highlight your commitment to our local farms and chefs.

Submit your sponsorship early to ensure you will be recognized at all three of these great events!
