

# TASTES OF THE VALLEY

AUGUST 20, 2023 · 4:00 PM

THE PUBLIC HOUSE · STURBRIDGE, MA

Nestled among the woods and water of The Last Green Valley are hundreds of working farms. From their harvest comes the inspiration for local chefs to craft tantalizing meals. From their crops come the ingredients for brewers, vintners and distillers to invent unique sips and spirits. **Tastes of the Valley** brings it all together for one night at the Publick House in Sturbridge, MA.

After enjoying a sampling of locally-crafted hors d'oeuvres, guests will enter historic Paige Hall to enjoy a five-course banquet. The Last Green Valley has brought together distinguished local chefs to craft four “one-night-only” dishes, plus dessert, using locally-grown ingredients as each chef masterfully showcases a creation that guests won’t find anywhere else. Paired with dinner will be a sampling of local wines, carefully chosen to complement the dishes’ flavors. To tie it all together, we’ve invited a local farmer or producer to sit at each table to discuss what it takes to keep the Heritage Corridor green and growing.

Tastes of the Valley is the **signature annual fundraiser** for The Last Green Valley Inc. and we would be honored to showcase you as a sponsor of this popular event attended by nearly 200 people. For more information, please contact Kyle at 860-774-3300 or [kyle@tlgv.org](mailto:kyle@tlgv.org).
